

GOING TO ASSEMBLY

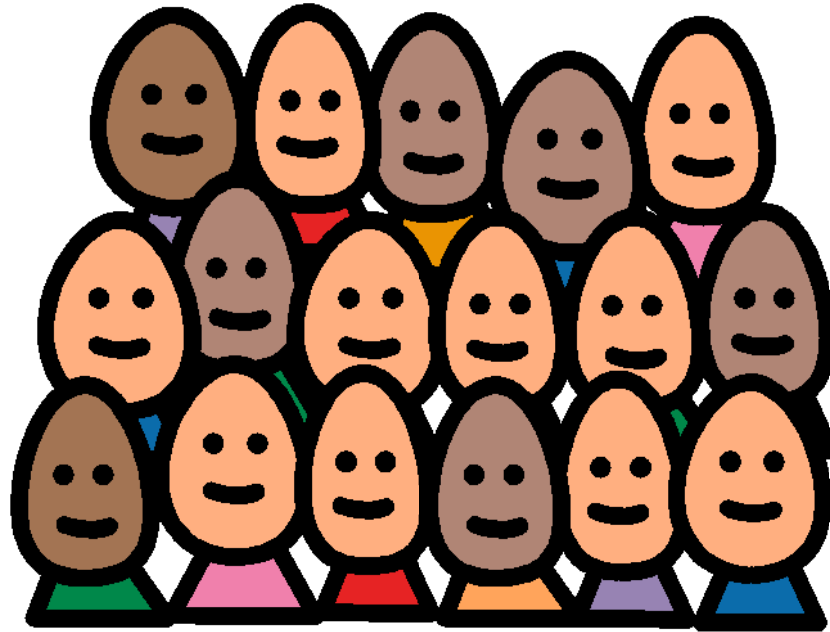

At school, I learn new things and have lots of fun.

I like to go to school.

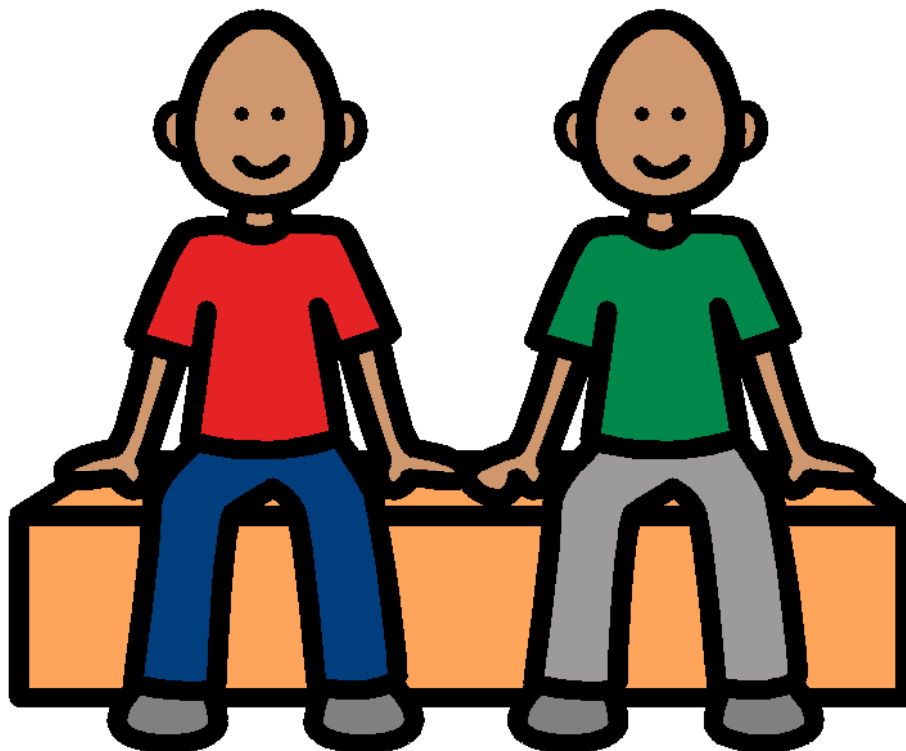

Sometimes when I am at school, we have
Assembly.

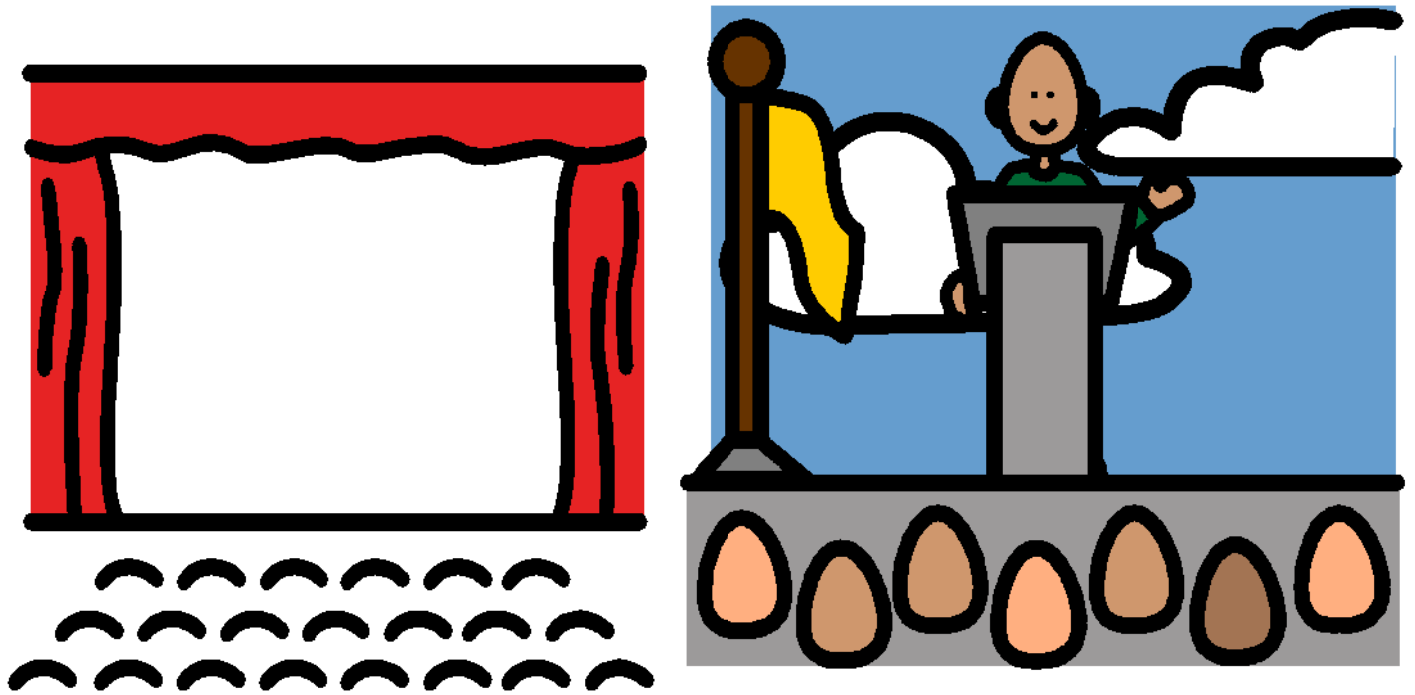

An Assembly is when all the school kids and teachers, and sometimes the parents, come together to hear news and share information.

5

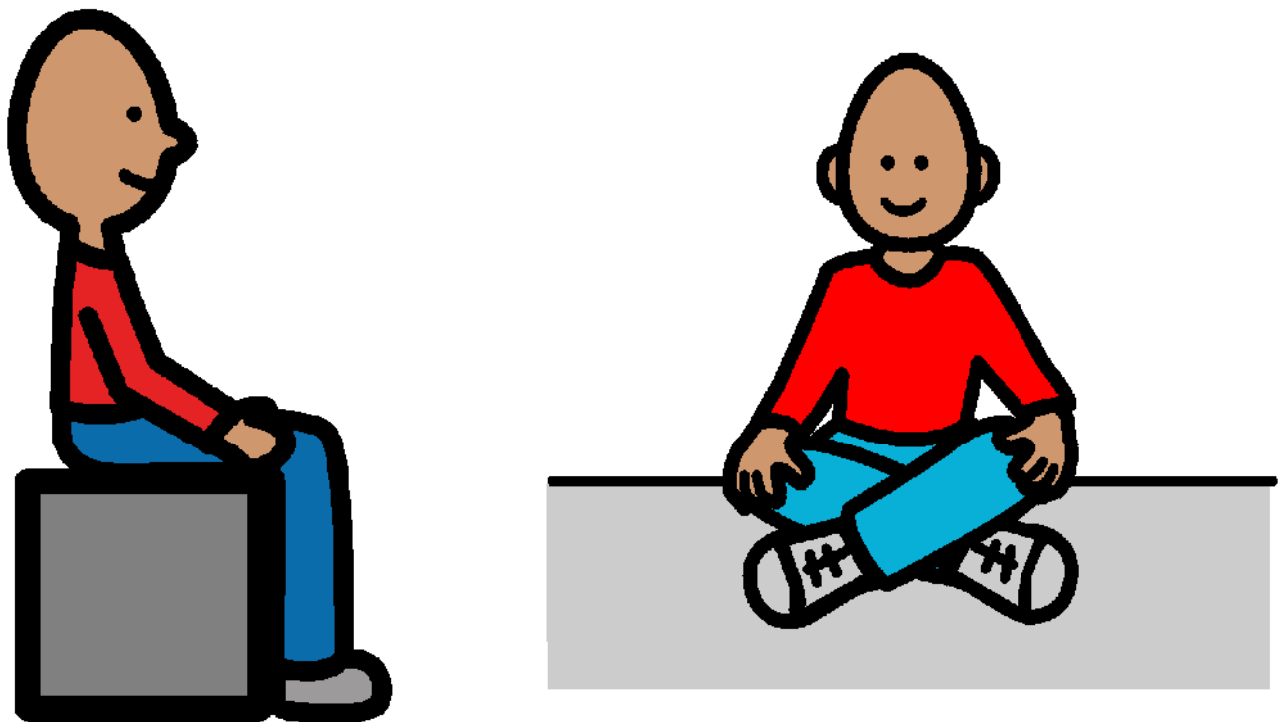

Usually at assembly, I will sit with my teacher and my class.

7

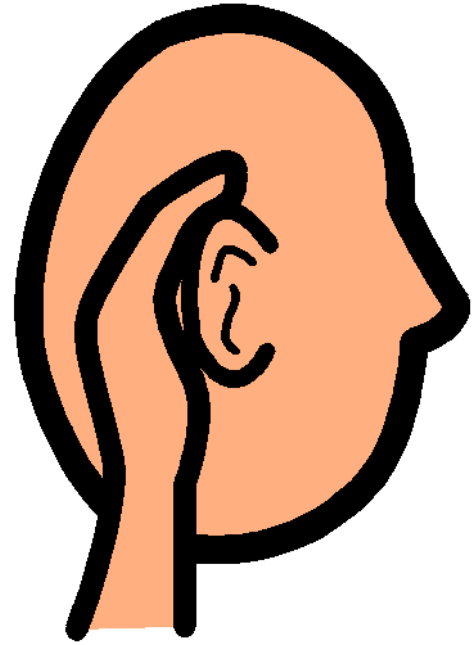

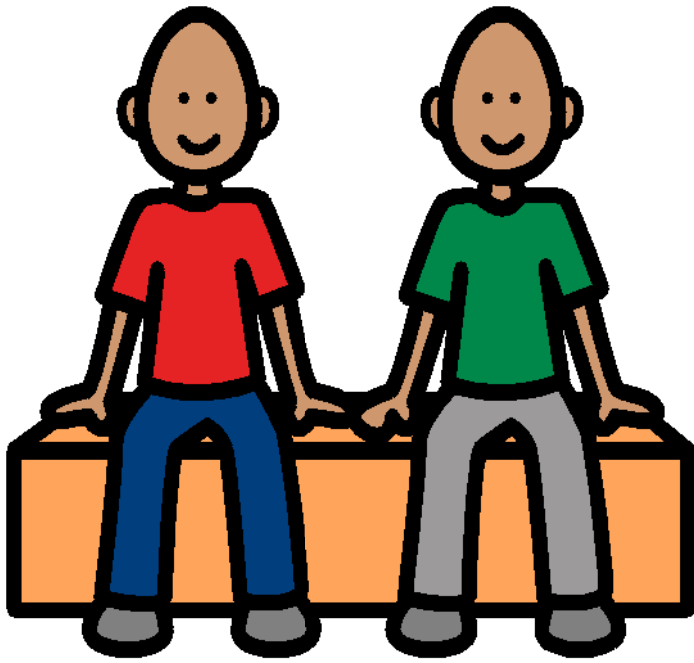

The Assembly might be in the school hall, or outside at a special meeting place.

6

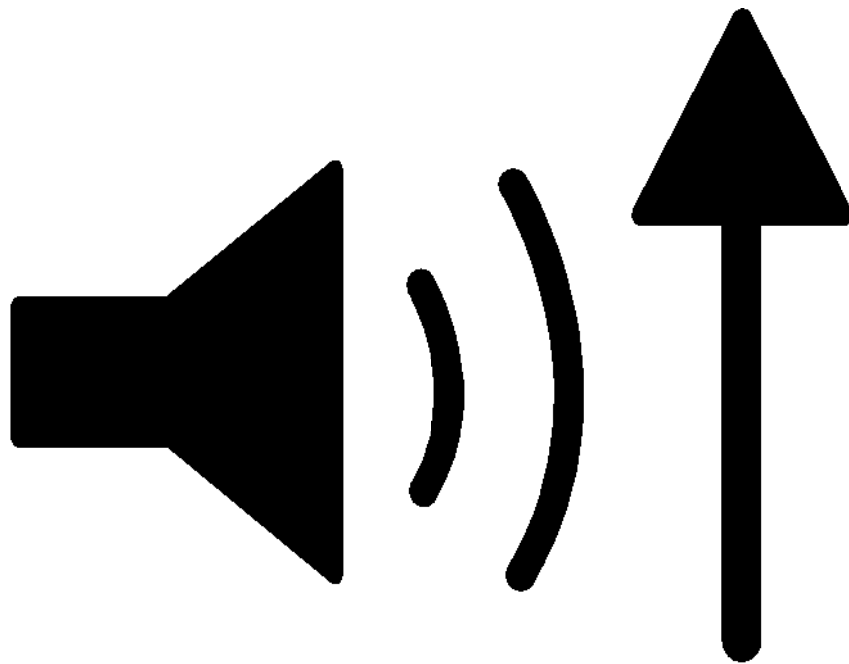

We might sit on chairs, or on the ground.

8

At assembly, I need to sit quietly and listen.

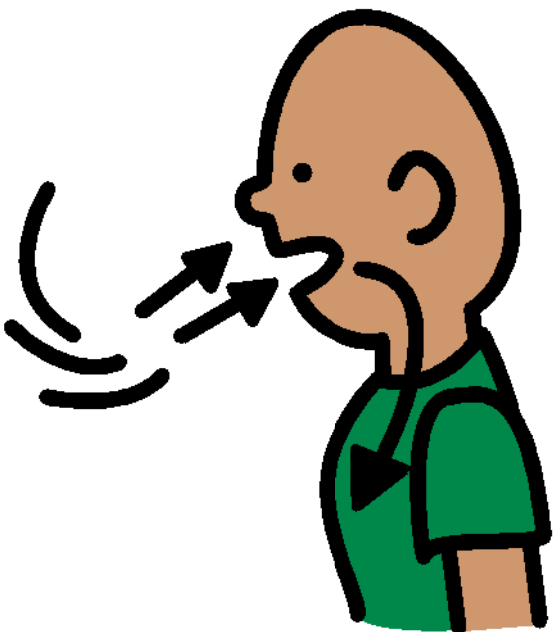

Sometimes there is a lot of noise at assembly.
This is ok.

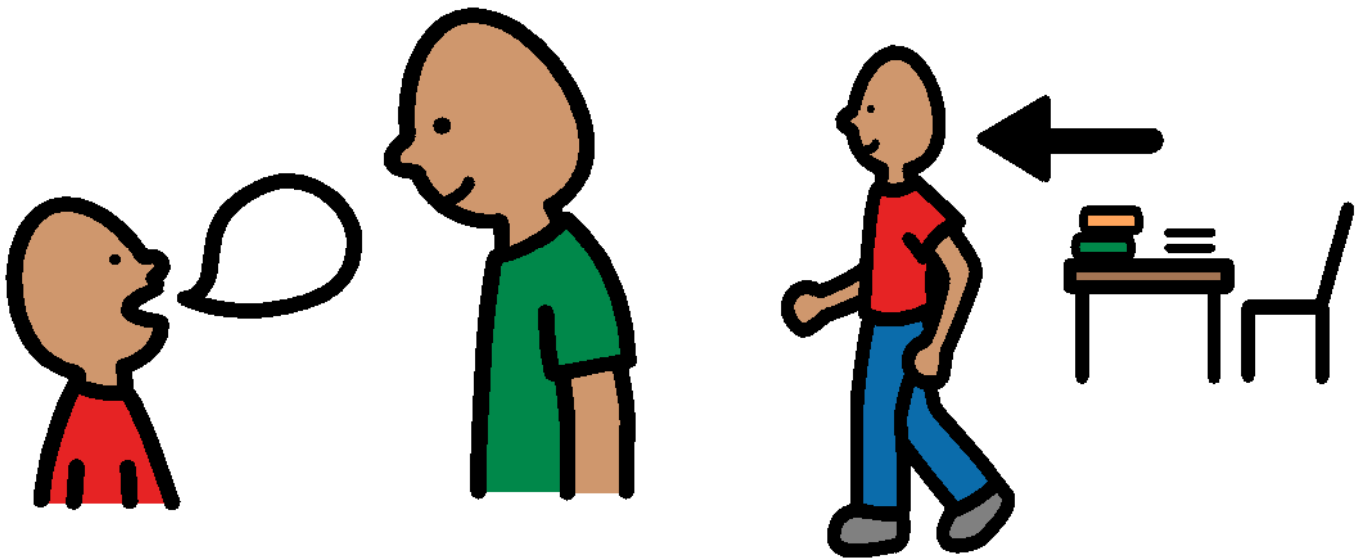

It is not ok to move around or yell out
at assembly.

10

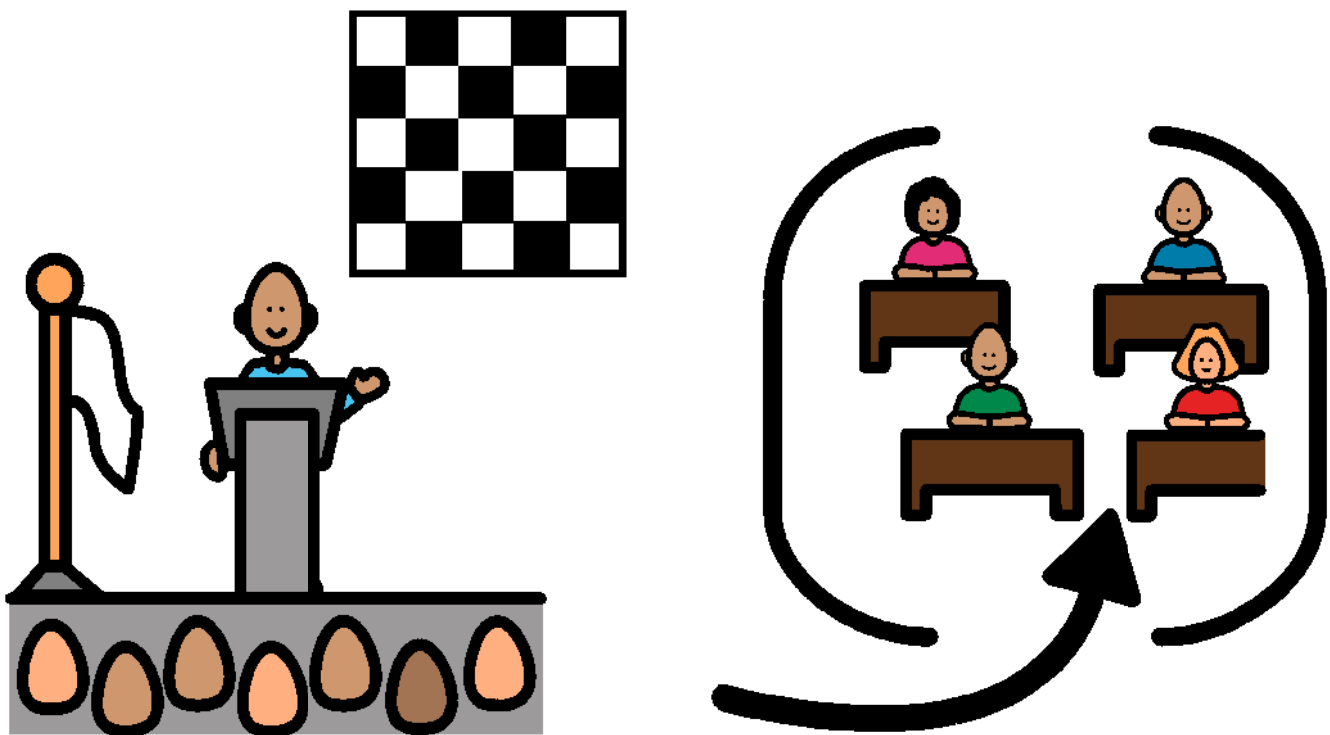

If the noise hurts my ears or I feel worried,
I can take some deep breaths. I can put my
hand over my ears.

12

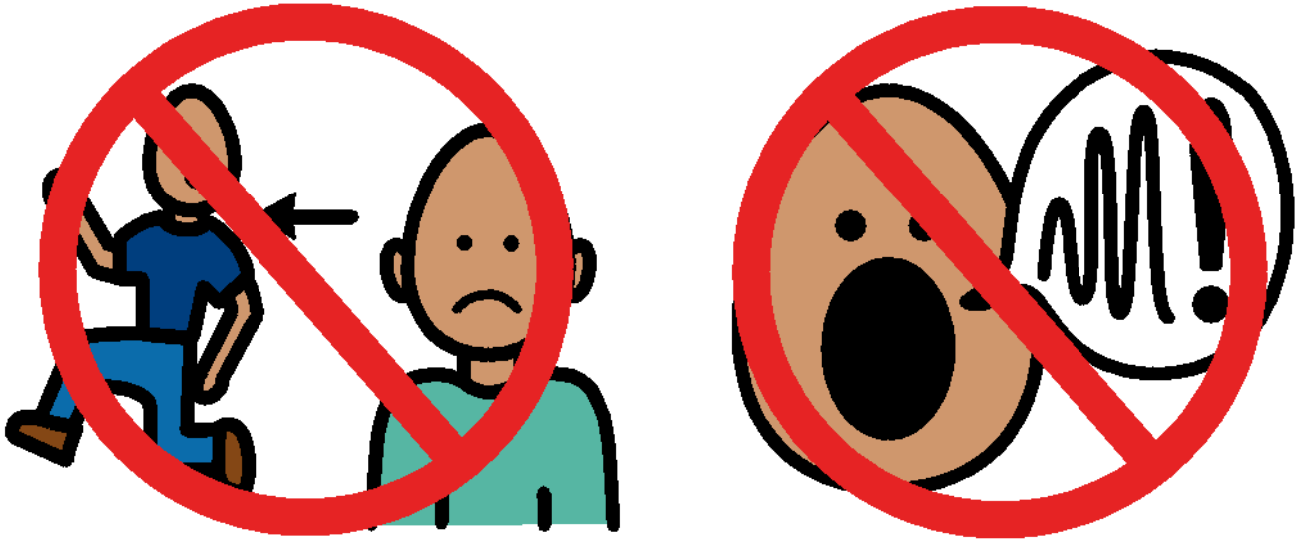

I can quietly ask my teacher if I can have a break.

13

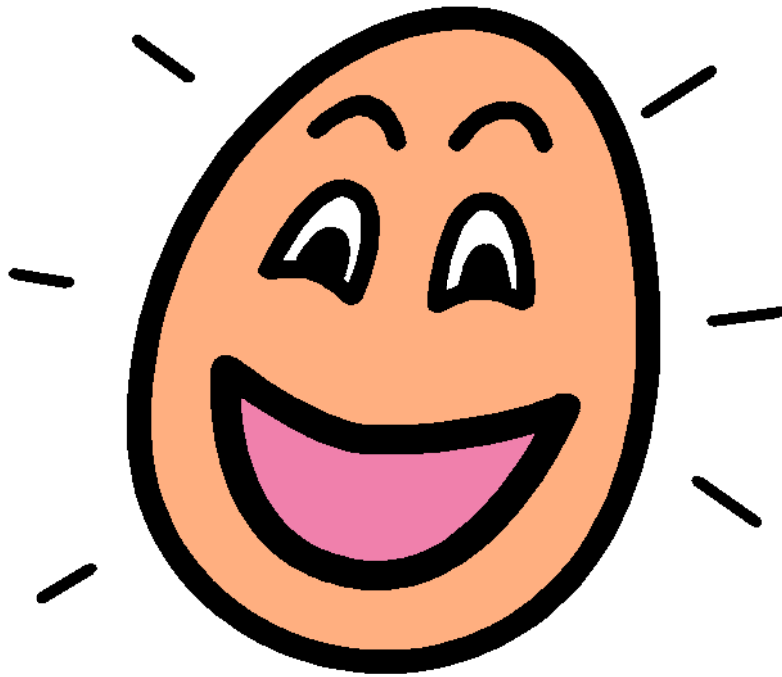

When assembly is finished, I go back to my class with my teacher.

15

It is not ok to run away or scream if it is noisy or I feel worried.

14

My teacher and I feel really happy when I sit and listen at assembly.
