

Sometimes I feel upset.

I feel upset when my friends won't play with me, or when I don't understand what to do.

Sometimes I feel upset.

When I feel upset, my body gets all tight and I feel out of control.

When I feel upset, there are things I can do to make myself feel better.

5

I can go to my quiet place and have some quiet time until I feel better.

7

I can stop and take a deep breath.

I can ask my teacher for help.

It is not good to hit or kick or scream
when I am upset.

It's great to have quiet time and use my
words when I am feeling upset.

When I feel better, I can play and be happy again.
